FROM THE DESK OF THE EDITOR

NEW ADOPTION RULES TO TAKE EFFECT JULY 1, 2022

The Pennsylvania Supreme Court has overhauled the Orphans' Court Rules pertaining to adoption, replacing current O.C. Rules 15.1 – 15.9 with new O.C. Rules 15.1 – 15.22. In doing so, the Court revised the former Rules and added a number of new ones.

The revised Rules include:

15.2 – a new Rule that defines various terms used in connection with adoption proceedings.

15.3 – augments the notice procedures in proceedings to terminate parental rights by focusing on three areas: (1) who is required to receive notices of termination of parental rights (both voluntary and involuntary) and the form of the notice, (2) how the notice is to be provided, and (3) when the notice must be provided.

15.4 – applies when a county agency is seeking to terminate the parental rights to, or have someone adopt, a child who has been declared dependent by juvenile court; in these cases, the agency is required to file a praecipe in the dependency proceedings when a petition to terminate parental rights or a petition for adoption is filed, when the Court rules on the petition, when any notice of appeal is filed, and when any appeal is decided, so that the juvenile court docket shows the status of the case in Orphans' Court.

15.5. – a new Rule codifying the one child/one petition requirement. It requires separate petitions to be filed for each child who is the subject of certain proceedings under the Rules (including terminations of parental rights and adoptions).

15.6 – a new Rule that applies when a petition for termination is filed and no agency (like CYS) is involved. In these cases, this Rule prohibits a Court from granting a petition for termination unless a Report of Intention to Adopt or Petition for Adoption has been filed. This Rule is meant to implement the precedent set by the Court that one parent cannot terminate the parental rights of the other parent without a present plan for the child's adoption, either by a step-parent or someone else (except in cases involving rape or incest).

15.7 – details the information and exhibits that should be included in Petitions for Voluntary Relinquishment to an agency. This Rule is based on former Rule 15.2 but leaves out 3 averments from former Rule 15.2 (religious affiliations, names of the birth mother's former husbands, except where the birth mother was married at the time of birth or during the year prior, and whether the child was born out of wedlock), adds 3 new ones (counseling services, Contact Agreements, and consents), and requires 3 new exhibits (a consent to transfer custody to the agency, and a verified statements of the providing of the PACA-notice).

15.8 – details the information and exhibits that should be included in Petitions for Voluntary Relinquishment with respect to a child who has been in the exclusive care of prospective adoptive parents. This Rule is similar in its requirements to new Rule 15.7.

15.9 – a new Rule that details the information and exhibits that must be included in Petitions to Confirm Consent to Adoption. This Rule implements an alternative procedure whereby parental rights can be voluntarily relinquished through the court’s confirmation of a consent to adoption.

15.10 – details the information and exhibits that must be included in Petitions for Involuntary Termination of Parental Rights. This Rule is similar to prior Rule 15.4, but, like new Rule 15.7, leaves out certain averments required by the old Rule (like religious affiliations) while requiring new ones. The new averments include averments as to standing, whether a claim for paternity has been filed, the date the child was removed from the parent who is the subject of the petition and the date the child was placed with petitioner, information as to why the child was removed from the parent who is the subject of the petition, provision of the PACA-notice, and that the petitioner believes the petition to be in the child’s best interests. This Rule also eliminates certain exhibits required by the old Rule while requiring new exhibits, such as a verified statement regarding provision of the PACA-notice, and a signed consent to accept custody.

15.11 – a new Rule that implements requirements of the Adoption Act that a parent whose parental rights are terminated receive notice of his or her continuing right to provide and update medical, personal, or social history information with the court and the Dept. of Human Services. It directs the Clerk to inform birth parents of their rights post-termination and sets forth the information that should be provided.

15.12 – a new Rule that implements provisions of the Adoption Act relating to voluntary post-adoption agreements for continuing contact or communication (“Contact Agreements”). It specifies how Contact Agreements are presented to the court, when they are to be presented, and by whom, as well as the information and exhibits that must be included in Petitions to Approve Contact Agreements.

15.13 – details the information and exhibits that must be included in Petitions for Adoption. This Rule is based on former Rule 15.5, but adds new requirements, including attaching criminal history records and child abuse clearance certificates for each prospective adoptive parent and alleging the existence of any prior court Orders that might impact the ability of the court to grant the petition.

15.14 – governs registration of foreign adoption decrees, and is nearly identical to former Rule 15.8.

15.15 – details the information and exhibits that must be included in Petitions for Adoption of a Foreign-Born Child, and is nearly identical to former Rule 15.9.

15.16 – a new Rule that provides for notice (which is essentially a notice to plead) to be given when a party files to modify, enforce, or discontinue a Contact Agreement, specifies who the notice must be given to, and requires the filing of a certificate of service.

15.17 – a new Rule that details the information that must be included in a Petition to Modify Contact Agreement.

15.18 – a new Rule that details the information that must be included in a Petition to Enforce Contact Agreement.

15.19 – a new Rule that details the information that must be included in Petitions to Discontinue Contact Agreement.

15.20 – a new Rule that discusses maintenance of the court file by the Clerk.

15.21 – provides that all court records and documents in the court file shall be private and generally withheld from inspection. This Rule is based on former Rule 15.7 but was revised in lights of amendments to the Adoption Act and the Court’s Public Access Policy that became effective on Jan. 1, 2018.

15.22 – a new Rule that provides the process by which someone may request the release of both identifying and non-identifying information about other parties in an adoption process.
